Bulldogs

A TRADITION OF EXCELLENCE CARRIES ON

Bulldog Road: The road traveled by Holmes students, faculty and staff. Each one of us has a different journey filled with unique experiences and educational goals.

Holmes Community College promises a quality education at the most economic cost, making Holmes the most excellent choice for higher education. This Bulldog road is never ending: Holmes becomes a part of you. The education and experiences you gain at Holmes will aid you in your life journey. This year's theme, Bulldog Road, was based on the idea that the works by the Beatles is an influential, iconic part of our history that will continue through the decades, just as is Holmes Community College.

GOODMAN CAMPUS

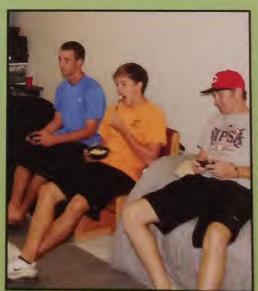

As the main campus of Holmes, students have the option of residence hall life and various adacemic and career technical courses. Goodman contains six resicence halls which provide students with a more traditional college experience.

Student activities and sports constantly ensure that students always have something to do. Activities include bunco and ultimate frisbee to intramurals and basketball games, and so much more.

The Goodman Campus is also home to a beautiful walking trail and lake. The lush landscape on campus sets the scene for a relaxing out-door study spot or recreational activity.

Devin Moore, left, friend, and Caleb Kellum, right, enjoy dorm life.

Left: Cook Dorm, home to the HCC football team, has a great view the lake.

Above: Students get one-on-one help from Billy Wilson in the library.

Left: Holmes employees enjoy the delicious food at Carroll Cafeteria. Pictured are left to right: Brenda Melton, Nell Branch, and Maria Edwards.

GRENADA CENTER

The Grenada Center celebrates its 25th anniversary this year. The Grenada Center is located in the northern part of the district. Although it may have the least number of students, the Grenada Center's students and staff are close-knit and have a tremendous student involvement.

The nursing students make up a large part of the student body at the Grenada Center. The Grenada Center is also home to special career-technical courses such as forestry technology and surgical technology.

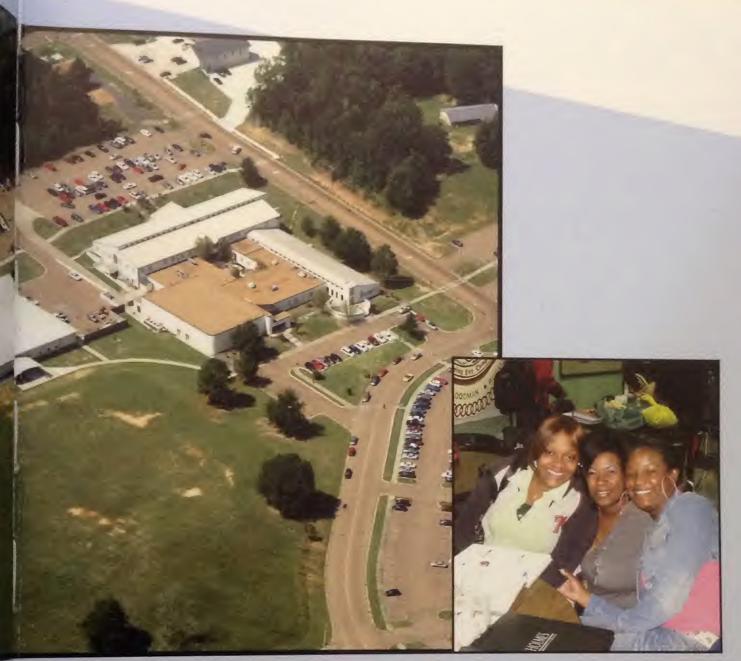

Student activities at the Grenada Center set the bar high for the district. Talent shows, cookouts, and themed events have high student turnouts.

Right: Students spend free time at the library.

Left: Grenada Center students enjoy a snack between classes.

Above: Students enjoy studying together on campus.

RIDGELAND CAMPUS

Celebrating its 25th anniversary, the Ridgeland Campus is located at the southernmost part of the district.

Just as its surroundings within the city of Ridgeland, the Ridgeland Campus is booming with growth. The student population on the Ridgeland campus makes up around half of all Holmes students district wide.

A new science building and a new parking lot are under development to accommodate the high volume of students. The surrounding metro area brings many communter students to the Ridgleand Campus.

Student activities and a new student union occupy students' free time when they are not taking advantage of the library.

Left: Students enjoy studying in the Union.

Left: Nissan employees receive training at the McGowan Workforce Development Center center.

Above: Students buy books at the Bookstore.

Left: Students enjoy a show and lecture by local artist Anthony DiFatta.

GROWTH AND DEVELOPMENT

by Maretis Davis, Sydnee McDowell, and Sarah Grant.

Goodman Campus classrooms and offices in the Math and Science building were painted. All faculty members located there got a fresh new look for their fall 2009 classes. The new softball field house was completed. The biggest change for the Goodman Campus was the bookstore/Lorance Student Center renovation. The former small and cramped space is now anything but that. The new store really made returning students' jaws drop, and now new and former students can really see the beauty of it and enjoy the new look.

Since the number of students in Ridgeland continues to increase, the Ridgeland Campus has added more to accommodate this growth. One new addition is a parking lot at the northwest corner of the campus. Upon its completion, the lot will have enough parking for 350 vehicles. They are also constructing a new science building that will be over double the size of the last one by adding 14.000 ft. to the already 12,000 ft. building. It will have labs, class rooms, and suites for the teachers. Holmes also made a new class time for the afternoon crowd. The time is from 3:00 till 5:45.

The maintance staff also has a brand new building all to themselves, and the science department gets a new building to be connected to the current one. Ridgleland also has a new academic dean on campus. Joye Jones

For the Grenada Center, enrollment has continued to boom, ensuring that future growth for the Center is inevitable.

Right: The new parking lot is already being utilized on the Ridgeland Campus.

Left: The construction site for the new science building on the Ridgeland Campus has been a busy scene for the whole '09-'10 school year.

Left: The softball teams will surely enjoy this beautiful new facility on the Goodman Campus.

Above: The newly renovated Goodman Campus bookstore is a breath of fresh air for all students and staff.

Left: Students enjoy the new billiards area located inside the Student Center.

THINK YOURS

FOR ELF

Classes

Abby Sims

Major: Pre-Nursing

Freshman

Favorite Class: English Comp. I

Abby's favorite class is Comp I because she love to use her creativity, write stories; and it will teach language skills to be used for the rest of her life.

Jamarkus Jackson

Major: Education

Favorite Class: Public Speaking, Goodman

Hometown: Canton

Tammoria Galtney

Sophomore

Major: Secondary Education- English

Hometown: Jackson, MS

Favorite Class: English Comp. II

"The class I enjoy most is English Composition II taught by Mr. Steve Deaton. I enjoy this class because it is interesting; and since this is my major, I have no other choice but to enjoy it. I feel that this class helps me with my major because it provides the fundamentals that I will need to graduate with a degree in education; and it helps me in real life by assisting me with grammar usage, writing skills, and so much more."

Tiffany Smith

Major: Business Administration and Accounting

Freshman

Hometown: Clinton, Ms

Favorite Class: Business Ethics

Business Ethics is a class in which businesses who have previously committed immoral acts are read about and discussed by students with all different opinions. "Sometimes you find your opinion may be wrong or highly disagreed upon; about whether it was the company's fault or they had another choice or their actions were not wrong or they were understandable; you try and see the other points of view. You learn that everything is not always as it seems. You can make more educated decisions later if you are faced with a hard choice in business. "You can help put ethics back into the business world!"

Jacobly Pittman .

Major: General Studies Hometown: Jackson

Favorite Class: Public Speaking, Goodman

Sydnee McDowell

Freshman

Hometown: Raymond, MS Favorite class: Public Seaking

Sydnee's favorite class at Holmes is Mr. Staples's Public Speaking Class, where she learns the speaking skills that will prepare her for things such as interviews, speeches, and presentations. These skills will come in handy in her future job field of Journalism. McDowell likes the fact that Mr. Staples teaches the material, but makes it fun as well, and that he holds the attention of the class. She thinks this class is special because the teacher loves and believes in what he teaches. "It's easy to get an A in a class where the teacher enjoys teaching," she says.

Erykah Burton

Sophomore Home: Japan

Favorite Class: Western Civilization, Goodman

LaToya White

Sophomore

Major: Elementary Ed. Hometown: Durant, MS

Favorite Class: Real Numbers, instructed by Stephanie

Burton

Real Numbers is her favorite class because she loves math. She enjoys how Mrs. Burton shows them different techniques of teaching elementary children math, such as using blocks, drawings and pictures. The experience gained in this class is the ability to teach her own child easer methods of math. She thinks Mrs. Burton is a great teacher.

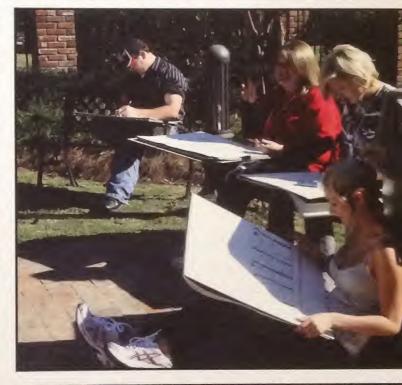

Seiara Travis Freshman

Major: Pre- Nursing

Hometown: Durant, MS

Favorite Class: Music Appreciation Instructed

by Gary Sheppard

Music Appreciation is her favorite class because she likes music of all kind and enjoys learning the history behind it. She also loves his teaching methods and the way he interacts with his class. She believes that she will be using the things she learns in this class to help with her role in her church choir.

NaTosha Barron

Major: Pre-law

Hometown: Mcadams

Favorite Class: Spanish III instructed by Maria

Edwards

Michelle Marsters

Major: Elementary Education

Hometown: Madison

Favorite Class: American History II

She says "Mr. Switzer makes the class extremely interesting and is an awesome teacher!" She believes that what she is learning in that class will help her in the, seeing that history repeats itself.

Janelle Gagle

Major: Hospitality Management

Hometown: Madison

Freshman - Ridgeland Campus

Favorite Class: American History I instructed by John Switzer She enjoys the way that he teaches class and the different learning

methods he uses.

Chaz Guerra

Major: Business

Freshman - Ridgeland Campus

Hometown: Oxford, AL

Favorite Class: American History I instructed by John Switzer Chaz likes the class because he finds Mr. Switzer easy to listen to

and entertaining.

Latasha Carson

Major: Pre-Physical Therapy Sophomore - Ridgeland Campus

Hometown: Canton

Favorite Class: College Algebra instructed by Charles Williams "I used to hate math but Mr. Williams breaks it down to where I

can understand it. He repeats everything until I can get it.

Major: Liberal Arts

Sophomore - Grenada Center

Favorite Class: Adolescent phychology instructed by

Myra Harville

"I like this class because Mrs. Harville involves the class in, and gets us motivated to want to learn. She makes it educational as well as fun for us. I believe this class is special because it deals with the importance of topics that should be addressed with adolescents, such as refraining from drugs, alcohol, and sex. This class helps a person understand their children more and themselves.

Major: Medical Office Technology Sophomore - Grenada Center

Favorite Class: Medical Terminology instructed by Mrs.

Douglas

"Mrs. Douglas has a very unique way of teaching and she is entertaining. I plan to use what I learn in her class to further my education for my medcial career."

Major: Bachelor of Science

Sophomore - Ridgeland Campus

Favorite Classes: Ethics and Philosophy, both taught by J.R. Hall, and World Literature I taught by Steve Deaton.

Mandy Giles

Major: Elementary Education Sophomore - Goodman Campus

Hometown: West

Favorite Class: Marriage and Family instructed by Laurie

Cheatham

"We have interesting class discussions and it gives me a better perspective on human life and development. Mrs. Cheatham also is not afraid to express her opinion and tell us the truth. As far as my major goes, the class is helping me to understand how the child develops his/her gender and develop into young adults."

Chelsie McNeer Major: Pre-law

Hometown: Kosicusko

Favorite Class: Public Speaking, Goodman Campus

Ashley Taylor

Major: General College Studies

Sophomore

Hometown: McAdams

Favorite class: Human Growth and Development
"I like learning interesting things about human growth
and the development of the human body. The class will
help me in furthering my education in nursing school to
know how the human body grows and develops."

Christy Pendleton

Sophomore Major: Nursing

Hometown: Crystal Springs

"My favoirte class is New Testament Survey with Dr. Lucas. I enjoy this class because it goes in depth with people about Christian values. The class material is very interesting to learn about. The class helps me to deal with real life and future classes because it helps me assess life's stress and life's journey.

Major: Elementary Education

Sophomore

Hometown: Madison

Favorite class: The Real Number System

"I love the class because it is full of excitement. This will help me as an education major; it has also been interesting to see all the different ways to teach math to children

as well as brush up on my math skills."

JIION

Features

Our President ly

By Noha Abboud

Dr. Glenn Boyce, the President of Holmes Community College, is an excellent leader for all HCC students as well as faculty and staff members. He is someone who is a great people-person and loves to help as well as interact with students among all three locations of Goodman, Grenada, and Ridgeland, giving them a sense of direction with their lives. Dr. Boyce also exemplifies outstanding leadership skills in completing essential accomplishments at HCC. Recently on the Goodman Campus, the bookstore received a major renovation which has improved the quality of student life on the campus even more. He continues to strive to make Holmes Community College the perfect place to start your future!

One of the annual perks of being president of Holmes Community College is crowning the homecoming queen. Dr. Boyce talks with Noha Abboud after crowning her.

Serving as the chairman of the Phi Theta Kappa steering committee. Dr. Baddresses members of the All-Mississippi Academic Team and their parettee State Capitol in March.

Dr. Boyce and his wife, Emily, take time for a Christmas picture following annual Board of Trustees Christmas dinner

r. Glenn F. Boyce

Hunter Engineering of Durant donated the Hunter RX-9L Scissor Lift to Holmes Community College. Pictured (l-r) are Michael McCoy, Hunter quality manager; Ken Lowery, director of human resources at Hunter; Dr. Glenn F. Boyce, Holmes CC president; Mike Howard, Hunter superintendent; Derrick Rainey, automotive technology instructor; Wayne Bowling, Hunter plant manager; and Sherrie Cheek, Holmes CC vice president for career-technical education. They stand next to the Hunter RX-9L Scissor Lift recently donated to Holmes CC by Hunter Engineering Company in Durant.

Dr. Boyce addresses the Mississippi House of Representatives during the annual All-Mississippi Academic Team awards day.

From time to time, Holmes Community College gets a visit from members of the U.S. Congress. Pictured above, Dr. Boyce visits with Congressman Travis Childers at the Grenada Center.

Graduation 2009

Dr. Daniel A. Osborne, a Holmes Community College graduate and former Massey Medical Scholarship recipient, delivered the eighty-first commencement address for Holmes Community College's district exercises set on Friday, May 15, 2009 in Frank Branch Coliseum on the Goodman Campus.

Osborne served a 10-year stint in the U.S. Navy, where he met Dr. Sam Massey, founder of the Massey Medical Scholarship. After working with Massey in the operating room and while establishing clinics, he came to school at Holmes in 1996 to begin college as a non-traditional student.

He was a very active member and officer in the Goodman Campus Kappa Alpha Chapter of PTK and was selected to the All-Mississippi Academic First team and All-USA Academic First Team. In 1998. he graduated with highest honors with an associate of arts degree from Holmes, and was the featured speaker at graduation.

After Holmes, Osborne received a bachelor's of science degree in chemical physics from Mississippi

> Right: Dr. Daniel Osborne delivers the 2009 commencement address.

College. He attended Vanderbilt before he received his master's of science degree in computational chemistry (2004) and his doctorate of philosophy in organic chemistry (2006) from the University of Memphis.

Osborne said he couldn't have written a better script for his life at Holmes. "I am honored to have the opportunity to be a part of your personal story at this great institution," Osborne said. "It amazes me that it has been eleven years since I experienced what you are about to experience: the granting of your first college degree.

Special awards presented during graduation included the M.C. Mc-Daniel Award to Joy McDonald of the Ridgeland Campus. Outstanding Phi Theta Kappans for 2009 included: Jamie Holloway, Goodman Campus; Catey Fisackerly, Grenada Center; and Joy McDonald, Ridgeland Campus. Valedictorians included Karen Elliott, Ann Parker, Tiffany Raymond, Justin Pettit, Jamel Boatman, Roxanna Bayne and Joy McDonald. Salutatorians were Kasi Massey and Brooke Brawner.

Left: Pictured with Dr. Boyce are Karen Elliott, Ann Parker, Kasi Massey, Tiffany Raymond, Justin Pettit, Dr. Boyce, Brooke Brawner, Jamel Boatman, Roxanna Bayne and Joy McDonald. All were valedictorians except for Massey and Brawner, who were salutatorians.

Left: Graduates wait patiently for the commencement to begin.

The Holmes Connection!

The Holmes Connection! is a high energetic, singing, and dancing group here at Holmes The Holmes Connection! is under the direction of Mike Yates, with his wife, Mandi, choreographing and teaching the dance routines. Members of the group collaborate on the songs, dance, and how members can express their uniqueness through their individual talents. The group portrays a positive reflection of how a group of young talented people can come together and produce different aspects of entertainment. Each school year offers a new group with new and vibrant talent.

The group, which has been on the Goodman Campus since the early '90s, takes their show "on the road" to local high schools, nursing homes, choir shows, etc., and serving as tool for recruiting prospective students. They also put on show-stopping performances at annual Holmes events such as Homecoming, Carols of Christmas, the Pops Concert, and the Fine Arts Department Concert.

Members of the 2009-10 group include Demarco Fomby, Matt Hines, Brandon Hughes, Max Shumaker, Corbin Moore, Clark Pullen, Eryka Burton, Kylie Garner, Brittany Martin, Amanda Alexander, Lauren Kraft and Brittini Dickerson.

Brittany Martin-Sophomore:

"I love the feeling you get before each show- nothing could top it. I love being a part of this group and couldn't imagine being without my Connection! family."

Erykah Burton-Sophomore:

"What I love most about Connection! is the traveling on the bus rides. We make jokes and play games, which gives us time to bond. We really get to see what everyone is like and even who snores and who doesn't, ha! ha!. We are just great big family, and I couldn't be without them."

Corbin Moore-Freshman:

"Being in Connection! gives me a sense of pride about Holmes and myself. To know that I'm a part of a group so great drives me to not only excel as a performer but also as a student. If it were not for Mr. Yates, I wouldn't be able to experience a show choir so great; therefore, on behalf of all the Connection! members, I would like to say thanks."

Brittni Dickerson- Sophomore:

"What makes the group special is how we all collaborate on each song and each dance and how each person can express their uniqueness through their own talents. The Holmes Connection! makes a difference to Holmes Community College because we show a positive reflection of how a group of young talented people can come together and produce different aspects of entertainment. We take pride in our group and the hard work that we all put in and in the end it all pays off?!

Holme-Towne Players

Drama is an acting stage performance of which any student can be a part. Holme-Towne Players, directed by speech and drama instructor, Jim Schroeder, has a diverse number of very talented students. Anyone can be a part of the drama department whether his or her talent is acting on stage or a member of the stage crew. Trey Fischer, an industrial technology major from Wesson who is a member of the Holme-Towne Players, states, "Our group is special because we have a diverse number of students who are very talented. It is a great way to express oneself and to get involved in extra-curricular activities. It helps bring a forgotten experience to the students of Holmes Community College."

Fourteen members of the group began the fall performance with a dinner theatre play, "Aladdin and the Wonderful Lamp," presented in November In March 2010 the Holme-Towne Players presented "The Boys Next Door."

The group also takes their shows "on the road" to high schools and more as a recruiting tool for the college.

PTK 'S LOSE 2 WIN @ THE GRENADA CENTER

By Edward Penn

The Holmes-Grenada chapter of Phi Theta Kappa sponsored a Lose 2 Win weight loss challenge. The challenge was aimed at students and members of the local community, and was intended to address the growing problem of obesity in America. While obesity is a national problem, it

is an even bigger issue for Mississippians; according to Carla Ross, advisor for the Grenada Chapter of Phi Theta Kappa, Mississippi has led the nation in obesity for the fourth consecutive year.

Every Year Phi Theta Kappa takes on tough issues that affect society; this year the group hopes that the Lose 2 Win challenge raised awareness concerning the dangers of obesity, and educated the community as to the importance of exercise and eating healthy. "Obesity, which is preventable, is linked to a host of lethal conditions," said

Carla Ross, "such as heart disease, stroke, diabetes, cancer, high blood pressure, and sleep apnea."

The Lose 2 Win challenge was a twelve-week challenge during the fall semester. There was a final weigh-in to determine the winners. As the name of the challenge, "Lose 2 Win," suggests, the winner is actually the loser—the greatest loser, that is; the contestants who lose the greatest percentage of body mass according to the Body Mass Index will be declared the winners of the challenge.

The Firefighters Challenge, which took place October 31, 2009, was a fun-filled, exciting competition that both pushed

and challenged contestants. Firefighters from the Grenada Fire Department graciously helped out by volunteering their time as well as providing equipment and gear which was used to construct a special obstacle course similar to the one used to train local firefighters.

In addition to competing for prizes, contestants also altended support groups and lectures headed up by profes-

sional nutritionists, whereby they will gain valuable knowledge that will help them make better choices concerning diet and nutrition. There were also weekly exercise groups, which, combined with the education on nutrition, will help contestants to make healthy lifestyle changes. According to Carla Ross, education is the frontline of defense in the fight against obesity. "We hope that the things these contestants glean from this competition might possibly enable them to live health-

ier, longer lives", said Ross. While the Lose 2 win Challenge is designed to be fun for all those involved, its primary function is to enlighten the community and provide people with the tools necessary to win the fight against obesity.

Phi Theta Kappa and Holmes Community College are constantly at work trying to improve the world around them. They continue to be leaders in the local community and remain committed to improving the lives of local citizens. And, by opening the collective eyes of the community to the dangers of obesity, Phi Theta Kappa is certain to make a difference in the lives of many.

H.A.L.S.

In the fall of 2009, Holmes Community College launched the Holmes Association of Legal Students (HALS), sponsored by the Paralegal Technology program. HALS is in the process of becoming affiliated with the National Association of Legal Assistants. Students registered in a law-related major and in good standing with the college are eligible to join. Officers were recently elected as follows: Lauren McCoy, President (Kosciusko); Maria Dennis, Vice-President (Yazoo City); and Amanda King, Secretary/Treasure (Kosciusko). Darleen T. Dozier, CP, (Brandon) is the faculty advisor for the club.

Mission Statement and Goals:

*To encourage students to develop an interest in and to pursue careers in the legal field.

*To provide educational programs supplemental to regular course work; for instance, to sponsor speakers, workshops and seminars appropriate to the legal field.

*To encourage an awareness of the basic skills necessary to perform work of a legal nature and to provide a better understanding of the responsibilities involved.

*To acquaint students with functions of the judiciary and other departments of the courts.

*To establish good fellowship between this association, the members of the legal assistant profession and the National Association of Legal Assistants, Inc.

*To stimulate a high order of ethical and professional conduct;

*To endeavor to make high schools, colleges, and business schools aware of the need for subjects in their curricula pertinent to the legal field.

Activities:

Mississippi Paralegal Association (MPA); they go to the MPA monthly luncheons, which provide speakers on different legal topic; they go to seminars sponsored by MPA; and they serve at Stewpot on behalf of MPA. They submit an article each quarter that is published in MPA's newsletter that is sent throughout the country. They are also affiliated with the National Association of Legal Assistants (NALA). They participate in campus activities (Fall Fest and Spring Fling). They host field trips (the Fall field trip was to Old Capital Museum and War Memorial). Students put together a newsletter each semester that outlines activities by the club. In November, HALS adopted a family of a female inmate and provided presents for her four children.

Left to R: Darleen Dozier, Amanda King, sitting left yellow Lauren McCoy, Maria Dennis.

Club members' thoughts on HALS:

Pam Manuel:

- a) Pros of being involved: The pros of being involved in the legal club are it allows you to meet members of your program you may not meet otherwise, it introduces you to professionals in your field and gives you a valuable networking tool.
- b) How it helps: It helps because you get not only to meet professionals in your field but interact with them as well.
- c) Activities: The legal club performs community service and attends paralegal seminars.

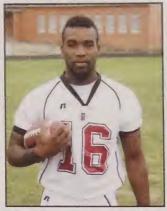

Karen Farhart:

- a) Pros of being involved: Paralegal students that don't usually connect get to do so at meetings and at other HALS events. We get to make ourselves known on campus through our efforts during prime events on campus. We also get the opportunity to expand our knowledge of our field of study through connections with Paralegals currently working in the field and professional organizations on the state and national
- b) How it helps: Any connections we can have in the paralegal field is helpful for future employment. It also helps us establish relationships that may serve us in some future endeavor.
- c) Activities: As our organization grows we will hopefully be able to have our name connected with helping organizations in our community.

Bulldogs finish 8-6-1

The Bulldogs battle hard with younger players but come up short in their quest to make the MACJC State Tournament.

The 2009 Bulldog soccer season has come to a close with the Bulldogs finishing up at 8-6-1.

Leading scorer for Bulldogs was J.M. Webster, who had 15 goals and two assists on the season for a total of 32 points. Ben Browning and James Coward each followed Webster with six goals. Browning added six assists for a total of 18 points on the season while Coward had two assists for 14 points on the season.

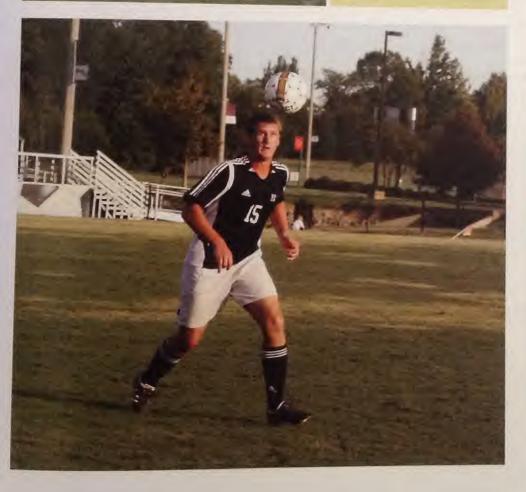

Drew Hille and Logan Jones followed with four goals each. Jones had five assists for a total of 13 points while Hille had one assist for nine points.

Sonny Browning and Eric Ryan made All-State while J.M. Webster made All-Region.

The Bulldogs got two wins each from East Central (9-1 and 6-0) and East Mississippi (4-3 and 1-0). They defeated Faulkner State Community College, Ala., (3-2) and split games with Copiah-Lincoln (lost 3-2 and won 6-0) and Northwest (won 2-0 and lost 3-1). They won a game and tied a game with Southwest winning 5-1 and tying 1-1 in overtime. The Bulldogs fell twice each to Hinds (3-0 and 3-1) and Itawamba (3-2 and 2-1).

for the record

Bulldog Soccer

Early exit in state tournament at Fact

The Bulldogs backed their way into the MACJC State Tournament at East Mississippi, but their run was short-lived by falling to Pearl River.

SCOOBA --- The Holmes Community College Bulldogs` run in the MACJC State Tournament here Monday afternoon was short-lived as Pearl River defeated the Bulldogs, 68-48. in the opening round.

With the loss, the Bulldogs ended the season at 10-14. The Bulldogs came into the tournament as the North Division No. 4 team and Pearl River was the South Division No. 1. Anthony Jones led the Bulldogs with 21 points in the game.

A Wildcat three-pointer with 11 minutes to play in the first half put the Wildcats up by 11 at 18-7. With 5:06 to play, Pearl River increased the lead to 13. With two minutes to go in the first half, the Wildcat lead was 21 points to make the score 35-14.

Holmes' Anthony Borden made a bucket and was fouled late in the half. He hit the free throw which ended the first half scoring at 35-17. In the second half, the Bulldogs made a small run and Jones' three-

pointer pulled the Bulldogs within 12 at 36-24. Pearl River then be to pull away in the second half and held a 25 point lead with seven minutes to go.

To get into the tournament, the Bulldogs had to defeat Northwest the final game of the season. To get a third place slot, Northeau wo have to lose to East Mississippi and Mississippi Delta would have to Coahoma. Both Northeast and Delta won, but the Bulldogs have fourth slot over the Trojans because of head-to-head competition dure thregular season and Northeast took the third place slot.

Three Holmes Community College Bulldog basketball players to ceived postseason honors following the 2010 campaign. Freshman thony Jones was named Second Team All-State while Gabe Osage at Clyde Moore were named All-Star. The game was played at East Control on March 25.

Lady 'Dogs have tough sked

With a lot of newcomers on this year's squad, the Lady Bulldogs struggled early in a tough North Division schedule.

The Holmes Community College Lady Bulldog basketball team had a tough schedule during the 2009-2010 season and finished the year, 2-17 overall and 2-10 in the North Division.

The Lady Bulldogs defeated Coahoma twice during the season to pick up their two victories in the North Division.

Bulldog sophomore guard Tiffaney Haynes was the only Lady Bulldog basketball player receiving postseason honors following the 2010 season.

Hayes was named Second Team All-State and was named to the All-Star team. The game was scheduled for March 25 at East Central.

Slow start for Lady Bulldogs

Lady Bulldogs battle during the early season schedule but are off to a slow start to the 2010 campaign.

Eight returners and 12 newcomers highlight the 2010 Lady Bull-dog fast pitch softball team.

Returning players include: Kristen Herrington, infielder, Madison; Chelsea McCafferty, pitcher, Eupora; Kandi Ray, outfielder, Eupora; Beth Livingston, infielder, Grenada; Katie Oldham, infielder, Ridgeland; Cody Ables, catcher, Kosciusko; Amber Freeman, pitcher, Puckett; and Courtney Rhodes, infielder, Puckett.

Newcomers are Brittany Roberts, infielder/catcher, Grenada; Britnee Hobson, infielder/catcher, Madison; Ashley Norman, outfielder, Madison; Symone Simpson, infielder, Ackerman; Jordan Sisk, infielder/outfielder, Eupora; Emily Collins, pitcher/infielder, Winnsboro, La.; Desiree Roos, infielder, Kosciusko; Darlynda

Wilson, infielder, Mathiston; Tabby Webber, infielder catcher Kosciusko; Katie Wiggers, outfielder, Kosciusko; Kelsey Wedworth, pitcher/infielder, Pulaski; and Kayla Hamilton, infielder Mantee.

The Holmes Community College fast pitch softball team move into their new dressing room this fall complete with a team room locker room (complete with restroom, shower and vanity area) two coaching offices, visitor restroom and storage facilities. The dressing room is located just behind the right field wall and adds to the complex renovations done over the last few years. The softbal complex received new bleachers, brick dugouts and a restroom concession stand over the last few years.

HIGHER EDUCATION APPRECIATION DAY WORKKING FOR ACADEMIC EXCELLENCE

Jeanne Kelly, English instructor on the Ridgeland Campus, was chosen the 201, HEADWAE instructor. Kelly came to the Ridgeland Campus in 1995, where she an English instructor. She has taught English composition, creative writing, we literature and English literature; she was editor and producer of Reflections, Holman creative writing journal, in 1996 and 1999.

Kelly has held numerous professional offices and received various professions awards throughout her tenure as an educator. After coming to Holmes, she was name. Madison County's College Educator of the Year in 1999, Humanities Teacher of the Year in 2003, and recipient of the Evelyn Webb Award for service to TYCAM (Two year College English Association in Mississippi) in 2006. At MRA she was chosen to be STAR Teacher five years; in 1987 she was the Mississippi Private School Association State Secondary Teacher of the Year; in 1987, '89,'94, she was MPSA District III English Chairman, and in 1992-1994 MPSA State English Chairman Kelly was the Mississippi Scholastic Press Association Newspaper Adviser of the Year in his 1994. She has also been listed in Who's Who Among America's Teachers, Who's Who in American Education, Who's Who in the South and Southwest, and Who's Who in B US Writers, Editors, & Poets.

Jeanne Kelly has numerous publications to which she has contributed articles poetry, and a short story. Articles have appeared in the TYCA-SE Journal, Living you with Teenagers, Guideposts, and Parents and Teenagers. Poetry has been published st in Mississippi Poetry Journal as well as Encore, a journal of the National Federation st of State Poetry Societies, and other poetry journals and magazines. One short story of has appeared in Grandmother Earth. Kelly is Past President of Mississippi Poetry to Society. She was the organization's Poet of the Year in 2002, and MPS subsequently by published a chapbook of her poems, From Sunvise to Sunset

Jeanne Kelly holds a B.A. in English and M.S. Ed. in English from Mississippi College. She has 38 years of classroom teaching experience.

Dakota Chamblee, a Goodman Campus sophomore from Kosciusko, is the HEAD-WAE student chosen for the 2009-10 school year. She graduated at the top of her class from Kosciusko High School in 2009. She is a member of the Kappa Alpha Chapter of Phi Theta Kappa and the Holmes Plus Program. Chamblee is also currently a member of the Leadership Institute.

At Kosciusko High School she received the Star Student Award, the Golden Whippet Award, and was a Lindy Callahan Scholar Athlete District Nominee.

At Holmes, Chamblee has been awarded the Michael Klauk Scholarship. This scholarship is given in honor of the late Michael Klauk, an exceptional pre-medical major and alumnus of Holmes Community College. The scholarship, initiated by Dr. Samuel A. Massey, is awarded at the beginning of each school year to a sophomore who has completed one year at Holmes and who plans to continue his/her education at Holmes. The selection, based upon scholastic ability in science and mathematics, financial need, integrity, and the student's goals, is made by the faculty of the Department of Science and Mathematics. Students majoring in science and/or mathematics education will be given special consideration.

Chamblee's hobbies include shopping cooking, and crafting.

LAMPLIGHTERS

Believing that "faculty are critically important in the building of a community of learning" in the spring of 1990, the Mississippi Community Junior College Academic Dean's Association founded the annual Lamplighter Conference.

The three major objectives of the Lamplighter Conference are: to recognize and reward effective teaching in the Mississippi community and junior colleges, to give effective instructors an opportunity to share with one another those teaching techniques that promote learning, and to give classroom instructors exposure to classroom research. The 2009 conference, held on September 30-October 2, was hosted by Mississippi Delta Community

Representing Holmes were from the Goodman Campus, Jun Shirley: Ridgeland Campus, Cynthia McCoy; and Grenada Center, Margaret Bailey.

Margaret Bailey came to Holmes Community College as an adjunct teacher in mathematics in 1995. Having taught twenty-two years in junior high school and high school English and mathematics, she retired for two weeks prior to her association with Holmes Community College. Five years later a full-time position in Pre-core studies opened, and Bailey was

hired. During the following ten years, Bailey taught English, reading, study skills, mathematics, and a practical nursing preparation course for the national board licensure. In the last several years she taught primarily mathematics courses including Basic Mathematics and Introductory Algebra. In the summer of 2006, Bailey attended the Kellogg Institute at Appalachian

State University and received a certificate for Developmental Education Specialist.

Bailey's interest and later devotion to the community college system evolved over her years at Holmes Community College from realizing that this system met the needs of those students who still needed to be a name, not a social security number. Teaching Strategy: 1 show several different ways to work math problems. Not all students like the "book" way. or have learned a different method, or want to see another way to work a problem. I do tell them that "if it ain't broke, don't fix it", so if their preferred method works, Use It." Individualized instruction works best, but time doesn't always allow this - I use that if the time is there. My best one-on-one time is in the required math lab."

Jim Shirley came to Holmes Community College in 1958 as a student, returning to his alma mata as the physics instructor in 1968, remaining until 1975. He decided at that point in time that he would do something other than teach and went to work for a Fortune 500 company as an engineer, manager of a technical group made up of engineers and chemists, and later manager of human resources. He returned to Holmes Community College as the physics instructor again in 2003. Shirley still holds this position to date.

Shirley teaches General Physics I and II (algebra and trigonometry based) General Physics I-A and II-A (calculus based), Linear Algebra, Engineering Mechanics I, and Physical Science Survey I and II. He states that he seems to do his best teaching when he has the students in small groups seated at tables in the lab. Shirley sits at the table with them. Shirley defines Learning as having a working understanding of something that you didn't know you didn't know. He defines Education as

what is left after you have forgotten every thing you memorized.

Representing the Ridgeland Campus is Cynthia McCoy. As she was growing up, the importance of getting an education was instilled in both McCoy and her sister from a very early age. She states, "I always knew that I would make my living in the classroom. I have a passion for education. I believe that students can do anything they set their mind to do. I find great joy in helping them realize what it is that they are called to do."

McCoy graduated Magna Cum Laude from Belhaven College with a bachelor's of science in psychology. She graduated from Mississippi College with a master of science in sociology. After graduating from Mississippi College, she began teaching at Hinds Community College as an adjunct instructor. In 2000, she started teaching full time at Holmes Community College in the sociology/psychology department.

McCoy enjoys traveling, reading, cross-stitching, scrapbooking, singing, hunting, and working with horses. Her favorite teaching strategy is using controversial topics to encourage critical thinking.

Phi Theta Kappa All-Academic Team

Aisha Choudhry

A Dean's List scholar holding a 3.6 GPA on the Ridgeland Campus, Aisha Choudhry is a general studies major. Choudhry served as Vice-President of Scholarship for the Alpha Lambda Sigma Chapter of Phi Theta Kappa. She volunteered at "Stop Hunger Now," modeled for the "Paradox of Affluence" photo shoot, and wrote an article about the photo shoot and its purpose for the "Growl." Choudhry also participated in the Ridgeland Campus recycling each Friday, helped organize a can toss for Stewpot during Fall Fest, organized and created "Paradox of Affluence" art project and displayed it in the Ridgeland Campus Library. She also organized and presented "The Seven Wonders" project, attended the Holmeless Art show on the Ridgeland Campus, attended Honors Movie Series, and participated in Alpha Lambda Sigma's YouTube Forum.

Upon graduating from Holmes, Choudhry plans to further her education at Millsaps where she plans to major in pre-law.

Sarah Grant

Sarah Grant was a President's List scholar with a 3.8 GPA majoring in pre-medical studies/biological sciences on the Ridgeland Campus. She served as a Holmes Ambassador, Sophomore Representative for the Student Government, and manager of the Holmes Men's Soccer team. Grant was also a member of the "Horizons" and Growl staffs as well as the social science forum. She was voted Sophomore class favorite and inducted into the 2010 Holmes Hall of Fame. She also represented Holmes as a member of the MS Youth Legislature College Staff.

Grant also served as Vice President of Communications for the Alpha Lambda Sigma Chapter of Phi Theta Kappa. She participated in the 2009 and 2010 International Conventions and the 2010 Regional Convention, volunteered at Stop Hunger Now, modeled for the "Paradox of Affluence" Fashion Shoot, and attended the "Paradox of Affluence" Art Show. Grant plans to further her education at the University of Mississippi and become a forensic pathologist for the US Navy.

Brittany Young

A President's List scholar on the Goodman Campus, Brittany Young was a pre-med major maintaining a 4.0 GPA both her freshman an sophomore years and the recipient of an ACT President's Scholarship. She was vice president of the Kappa Alpha Chapter of Phi Theta Kappa, a Student Support Services tutor, and a PCS(math lab) tutor. Young was a member of Dr. Boyce's Leadership Institute and also attended the Phi Theta Kappa Leadership Institute. She was also an All-USA Academic Team nominee. Young plans to further her education to become an ophthalmologist.

Phi Theta Kappa All-Academic Team

John Lee McCain, Jr.

A Dean's List Scholar during his freshman year, John Lee McClain, Jr. pursed a degree in forensic science at the Grenada Campus. He maintained a 3.62 GPA while balancing working in the library and math lab. He spent most of his time working with fellow students helping them with their studies. He was also an active member in Alpha Mu Beta of Phi Theta Kappa, where he served as Vice-President of Service. His project for the All-USA Competition was teaching his fellow students and community about the benefits of recycling.

After graduating from Holmes, John plans to transfer to the University of Southern Mississippi, changing his major to forensic anthropology. With this degree he hopes to join the FBI, where he can help people and their families.

Nicole Weaver

Nicole Weaver was a psychology major at the Grenada Center holding a 3.89 GPA. She served as Public Relations Secretary of the Alpha Mu Beta Chapter of Phi Theta Kappa. Her project for All-USA Competition was organizing a weight loss challenge for the community called Lose 2 Win.

After graduating from Holmes, Weaver plans to attend Mississippi State University, changing her major to counseling. Her ultimate goal is to obtain a doctorate degree and own a community-counseling clinic.

Robert Reid

A non traditional student on the Goodman Campus, Robert Reid was mechanical engineering and industrial tech major and the recipient of a President's Scholarship. Maintaining a 3.9 GPA, Reid was a member of the Kappa Alpha Chapter of Phi Theta Kappa, serving as president of the organization his sophomore year. He was nominated for the Outstanding President award and attended the international conventions in Ft. Worth, Texas in 2009, and Orlando, Fla. in 2010. Reid was selected to be a member of the 2010 Holmes Community College Hall of Fame. He was the Skills USA reporter both his freshman and sophomore years and selected to be a member of Dr. Boyce's Leadership Institute.

He was a Staff Sergeant (SSG) in 20th Special Forces Group, U.S. Army National Guard and served in the Combat Veteran-Operation Enduring Freedom VIII (8) in Afghanistan.

Reid is currently enrolled in Officer Candidate School and will be Commissioned as a Second Lieutenant (2LT) Aug 8, 2010. He has received numerous awards and decorations during his tenure in the military.

2010 Haiti Earthquake

The 2010 Haiti earthquake was a catastrophic magnitude 7.0 Mw earthquake, with an epicentre near the town of Léogâne, approximately 25 km (16 miles) west of Port-au-Prince, Haiti's capital. The earthquake occurred at 16:53 local time (21:53 UTC) on Tuesday, Jan. 12. By Jan. 24, at least 52 aftershocks measuring 4.5 or greater had been recorded. As of Feb. 12, an estimated three million people were affected by the quake; the Haitian Government reports that between 217,000 and 230,000 people have died, an estimated 300,000 injured, and an estimated 1,000,000 homeless. The death toll is expected to rise. They also estimated that 250,000 residences and 30,000 commercial buildings had collapsed or were severely damaged.

The earthquake caused major damage to Port-au-Prince, Jacmel and other settlements in the region. Many notable landmark buildings were significantly damaged or destroyed, including the Presidential Palace, the National Assembly building, the Port-au-Prince Cathedral, and the main jail. Among those killed were Archbishop of Port-au-Prince Joseph Serge Miot, and opposition leader Micha Gaillard. Many countries responded to appeals for humanitarian aid, pledging funds and dispatching rescue and medical teams, engineers and support personnel. Communication systems, air, land, and sea transport facilities, hospitals, and electrical networks had been damaged by the earthquake, which hampered rescue and aid efforts; confusion over who was in charge, air traffic congestion, and problems with prioritisation of flights further complicated early relief work.

2010 Chilean Earthquake

The 2010 Chilean earthquake occurred off the coast of the Maule Region of Chile on Feb. 27, 2010, at 03:34 local time (06:34 UTC), rating a magnitude of 8.8 on the moment magnitude scale and lasting 90 seconds. It was strongly perceived in six Chilean regions (from Valparaiso in the north to Araucania in the south), that together make up 80% of the country's population. The cities experiencing the strongest shaking—VIII (Destructive) on the Mercalli intensity scale—were Arauco and Coronel, Chile. The earthquake was felt in the capital Santiago at Mercalli intensity scale VII (Very Strong).

Tremors were felt in many Argentine cities, including Buenos Alres, Córdoba, Mendoza and La Rioja. Tremors were felt as far north as the city of Ica in southern Peru (approx. 1500 mi/2400 km). The earthquake triggered a tsunami which devastated several coastal towns in south-central Chile and damaged the port at Talcahuano. Tsunami warnings were issued in 53 countries, causing minor damage in the San Diego area of California and in the Tōhoku region of Japan, where damage to the fisheries business was estimated at ¥6.26 billion (USD \$66.7 million). The earthquake also generated a blackout that affected 93% of the country's population.

Seismologists estimate that the earthquake was so powerful that it may have shortened the length of the day by 1.26 microseconds and moved the Earth's figure axis by 8 cm or 2.7 milliarcseconds. The epicenter of the earthquake was offshore from the Maule Region, approximately 11 km (6.8 miles) southwest of Curanipe and 100 km (71 mi) northnortheast of Chile's second largest city

2009 Swine Flu

Swine influenza (also called pig influenza, swine flu, hog flu and pig flu) is an infection by any one of several types of swine influenza virus. Swine influenza virus (SIV) or S-OIV (swine-origin influenza virus) is any strain of the influenza family of viruses that is endemic in pigs.[2] As of 2009, the known SIV strains include influenza C and the subtypes of influenza A known as H1N1, H1N2, H3N1, H3N2, and H2N3.

Swine influenza virus is common throughout pig populations worldwide. Transmission of the virus from pigs to humans is not common and does not always lead to human influenza, often resulting only in the production of antibodies in the blood. If transmission does cause human influenza, it is called zoonotic swine flu. People with regular exposure to pigs are at increased risk of swine flu infection. The meat of an infected animal poses no risk of infection when properly cooked. During the mid-20th century, identification of influenza subtypes became possible, allowing accurate diagnosis of transmission to humans. Since then, only 50 such transmissions have been confirmed. These strains of swine flu rarely pass from human to human. Symptoms of zoonotic swine flu in humans are similar to those of influenza and of influenza-like illness in general, namely chills, fever, sore throat, muscle pains, severe headache, coughing, weakness and general discomfort.

Health Care and Ed. Reconciliation Act

The Health Care and Education Reconciliation Act of 2010 (H.R. 4872) is a reconciliation bill passed by the 111th United States Congress to make changes to the Patient Protection and Affordable Care Act (H.R. 3590, Public Law No. 111-148). It was signed into law by President Barack Obama on March 30, 2010

Together, H.R. 4872 and Public Law No. 111-148 are the primary vehicle of the Democratic-controlled Congress's and Obama Administration's efforts to reform health care in the United States.

The bill also includes the Student Aid and Fiscal Responsibility Act, which was attached as a rider. However, small technical parts of the bill relating to Pell Grants were removed during the reconciliation process.

The Patient Protection and Affordable Care Act was signed into law by President Obama on March 23, 2010 The Health Care and Education Reconciliation Act of 2010 was passed by the House of Representatives on March 21, 2010, by a vote of 220–211, and on March 25, after having two minor provisions stricken under the Byrd Rule, passed the Senate by a vote of 56-43. A few hours later, the amended bill was passed by the House 220-207. President Obama signed the health care reconciliation bill into law on Tuesday, March 30, at Northern Virginia Community College.

2010 Winter Olympic Games

The 2010 Winter Olympics, officially the XXI Olympic Winter Games or the 21st Winter Olympics, were a major international multi-sport event held on February 12–28, 2010, in Vancouver, British Columbia, Canada, with some events held in the suburbs of Richmond, West Vancouver and the University Endowment Lands, and in the resort town of Whistler. Approximately 2,600 athletes from 82 nations participated in 86 events in fifteen disciplines. pPreviously, Canada hosted the 1976 Summer Olympics in Montreal, Quebec and the 1988 Winter Olympics in Calgary, Alberta.

For the first time, Canada won gold at an Olympic Games hosted at home, having failed to do so at both the 1976 Summer Olympics in Montreal and the 1988 Winter Olympics in Calgary. Canada clinched first overall in gold medal wins on the second to last day of competition and became the first host nation since Norway in 1952 to lead the gold medal count. With 14, Canada broke the record for the most gold medals won at a single Winter Olympics. The United States won the most medals in total, their second time doing so at the Winter Olympics, and broke the record for the most medals won at a single Winter Olympics, with 37.

In Dedication

Rickye Norris

Rickye Norris is a 1964 graduate of pus teaching Ethel High School; he received his associate of applied science degree at Holmes Junior College in 1967, an AA certification and a bachelor's degree at the University of Southern Mississippi in 1969, with additional study at Mississippi State University and also Jackson State University.

Before coming to Holmes he gained experience through various avenues, among them being a fuel specialist in the U.S. Air Force, 1967-1970, a draftsman for the Mississippi State Highway Department, 1970-1971; a draftsman with Michael Baker Jr. Engineers, 1971-1978; and a draftsman, engineer, ROW agent, and inspector for Joe Waggoner Civil Engineers, 1978-1985. Norris' past experience made him well qualified to teach in his area of expertise.

With the additions of the Ridgeland Campus and the Grenada Center in 1985-86, major expansions to the existing Goodman location of Holmes Community College, Rickye Norris of McCool began his career on the Ridge-

land Camdrafting and design.

He and his wife Martha, who is the Ridgeland Campus secretary for the admissions

and records department, have a son, Ritchie, and his wife, Brandy; they also have a daughter, Heather Roberts, her husband, Shawn, and a granddaughter Madeline Grace Roberts.

Norris currently teaches engineering technology on the Ridgeland Campus.

Teresa Graham

Teresa Graham of Grenada began her career in nursing in 1981 with a baccalaureate degree in nursing. She advanced her education, utilizing Mississippi institutions, to earn several science degrees and a master's of science degree in nursing. She is a graduate of Northwest Community College, Delta State University, and the University of Southern Mississippi. Graham has

In Dedication

served Holmes Community College for over years which at she time helped has launch sevhuneral dred RNs

into our communities.

She was an associate degree nursing instructor when she began her career in teaching at the Grenada Center. In July, 2007, she was selected to be the Holmes Community College District Associate Degree Nursing Program Director.

Graham and her husband, Ed, Codirector of Farming at MDOC, have a daughter, Kim Boggan, son-in-law, Mark, and a son Edgar Graham. Kim and her husband have two children, Graham and Cail.

James Awad

in the Jackson area. He graduated from son. Millsaps College in 1967 and did grad-

uate work at Mississippi College. He coached Gray and White football and basketball with Bill "Moose" Perry.

He has taught school for a total of 42 years. His teaching career began at St. Joe in 1967. Awad's tenure at Holmes Community College Ridgeland Campus, teaching chemistry and biology. began in 1987.

Awad is known by many of his former medical students as a brilliant mentor with an impeccable character and an aptitude to educate. He is also an excellent, well respected peer and confidant.

His passion is photography and travel in the Western United States. Awad is an excellent photographer.

James Awad and his wife, Betty Max-James Awad was born and educated well, live in Brandon; he has one step-

Colophon

Holmes Community College's 2009-10 Horizons, Volume 81, consists of 240 pages on a 9 x 12 trim size format. The book contains 100# enamel paper and smyth binding. All pages are color. The 1,750 copies of the book were printed at Taylor Publishing Company, Inc., in Dallas, Texas. Our Taylor Sales Representative was Karen Loden. The in-plant account executive was Milani Arguelles.

The hard lithocote cover reflects on this year's theme "Bulldog Road." "Bulldog Road" plays off the Beatles' album "Abbey Road." It was the eleventh and final studio album by English rock band. Work began in April 1969. It was released on September 26, 1969, in the United Kingdom and October 1, 1969, in the U.S.

The 2009 spring yearbook class developed the theme for this year's book while advisor Melissa Love designed the cover and design elements for this year's cover and the book's inside.

All pages were composed on Gateway and Dell computers, using InDesign, Photoshop and Taylor Tools as the primary programs. The fonts used for this year's yearbook were: Times New Roman, Bootles, Papyrus, Cooper Black, Gill Sans MT.

Portrait Images were taken by Southern School Images, whose

headquarters are located in Jackson, Miss.

The viewpoints represented in this yearbook are solely of the staff and in no way intended to reflect college policy.

Advisors' Message

It's so hard to believe that the 2009-10 school year has already come and gone. Seems just like yesterday when we were sitting in our offices planning for the upcoming school year.

We have taken the Beatles' "Abbey Road" and attempted to make it a trip through this school year at Holmes Community College that is one to remember. You can see from the start with the cover, that we have made this book all-inclusive of students and staff at Holmes.

We have called on our yearbook staffs from both fall and spring semesters to take pictures and write articles for this publication. We have also gone into the district to teachers and other students not receiving credit to assist us with pictures and text from their areas of study. If you have been one of these who donated your time to us, we appreciate it greatly. Without you, we would not have been able to produce the quality book that we have.

If you are interested in being a part of our staff during the next school year, please register for Yearbook 1-IV. We can use students with writing, photography and other creative skills. These same skills can be used in the Growl class today, which provides content for the student newspaper, the *Growl*. Please direct yearbook question to Melissa Love at mlove@holmescc.edu or 662-472-9062 or newspaper questions to Steve Diffey at sdiffey@holmescc.edu or 662-472-9068.

Cleaning for You

Tougaloo, MS

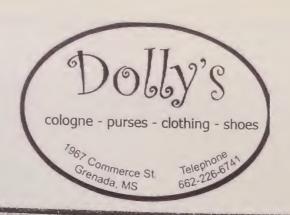

A good education ensures a great future. A great bank doesn't hurt either.

Knowledge will take you a long way in the world. It seems that most successful people have a few things in common—intelligence, honesty, persistence and commitment. But even the greatest of minds can use a strong financial partner. If you're looking for the right bank for you, come by and give us a pop quiz. You'll see that we've done our homework.

Contact any BankPlus office or our Customer Service Center at 1-888-811-PLUS (7587). Or visit us online at www.BankPlus.net.

Prescription. Information. Answers.

We recommend you come to
Sav-Mor Drugs and First Health Pharmacy
for all of your prescription and over-the-counter
health care needs.

Our professionally trained pharmacists

Frank Marascalco and Karen Boxx
will quickly and carefully fill all of your prescriptions.

They'll also answer all your questions,
filling your need for peace of mind through

hometown personal service.

√ Insurance Explained to you

√ All insurance and Medicaid co-pays are always the same at any and all drugs stores by law.

At Sav-Mor Drugs (only)

√ In-town Delivery

√ Passport & ID Photos

√ Payment Center for: *Entergy, Atmos, BellSouth* and many others.
